

## DEFENDING HEAVEN AND HELL

Neither heaven nor hell  
need any further defense  
to free-willed minds that this:

Light's passionate marriage to Love  
forever celebrates  
the pursuit of truth, and  
Love's absolute allegiance to Light  
persistently refutes  
any commitment to lies.

Both heaven and hell  
mercifully demonstrate  
God's eternal promotion  
of authenticity.

Both places validate  
the everlasting human duty  
to chose the goodness  
of Love and Light.

Therefore, both destinies  
glorify the grace of  
a holy and loving Creator.
