

FIND THE ANSWER

Is your heart on its way to Heaven
or scattered in shadowlands?
Do you fix your mind on the Kingdom
or wander the desert sands?

When your inner emptiness echoes,
on what do you try to feed?
Have the passing fads on the billboards
abolished your aching need?

Can deceptions fashioned by demons
be trusted to satisfy?
Will the thirst of your soul and spirit
be quenched by the latest lie?

Have you heard God's answer was given
to all who will humbly seek?
Was your pride so blind that you missed it...
your will too strong to be meek?

Listen well, for your days are numbered—
your life could end in a blink!
Wisely hurry to Jesus Who calls you,
“O thirsty one, come and drink.”
