

FOUR GREATEST THINGS

The greatest journey ever made
Was Jesus' trip to earth.
He came for me, I'll go for Him
Who gave me "second birth."

The greatest burden ever borne
Was borne at Calvary.
Christ took my guilt, so His reproach
I'll never try to flee.

The greatest army ever trained
Is led by Christ the Lord.
I'll proudly fight at His command
And wield His Spirit's Sword.

The greatest race that one could win
Is God's new, living way.
I'll put all else behind me now
And run this race today.
