

GETTING IT TOGETHER

If your soul-life is cruddy
And your attitude shoddy,
Just make Jesus the Buddy
Of your spirit-soul-body!

As your weak will is strengthened
And all loose ends are tightened,
You'll find short-term joys lengthened,
While your outlook is heightened.

Don't dismiss this dim ditty
And the hope it rehearses.
It'd be such a great pity
Missing Christ in these verses.

His is not just a token
Or a frivolous tweaking!
You'll be wide-eyed awoken,
If you hear what He's speaking.

So have faith to believe Him—
Let your whole heart be captured!
Once you choose to receive Him,
You'll be fully enraptured!
