

## HEAR OUR PRAYER

Our Creator and Preserver,  
Hear our prayer.  
As we raise our voice with fervor,  
Hear our prayer.  
Your Almighty eyes have seen us. . . .  
Heal the breach we've built between us.  
Quench these plagues that now demean us.  
Hear our prayer.

Loving God of our protection,  
Hear our prayer.  
We repent Your Word's rejection.  
Hear our prayer.  
As our globe in fear is reeling,  
We confess our sins, appealing  
that You send Your holy healing.  
Hear our prayer.
