

HEAR THE SHEPHERD

(a song)

Troubled times bring changes, worry and despair.
Often heavy burdens weigh us down with care.
When we feel unstable, just about to fall,
Jesus comes to seek us. Listen for His call.

chorus:

Hear the Shepherd calling. Let Him lead the way.
He will guide you safely ev'ry single day.
Cast on Him your burdens. He will bring release.
Follow in His footsteps on the path of peace.

When our soul is frightened by the devil's horde,
when our hearts are tempted to forget the Lord,
when the road gets broader, dangerous and wide,
Jesus calls us closer to His precious side.

chorus:

Hear the Shepherd calling. Let Him lead the way.
He will guide you safely ev'ry single day.
Cast on Him your burdens. He will bring release.
Follow in His footsteps on the path of peace.

When we're sad and gloomy, lonely or unsure,
doubts may shake our courage, make us insecure.
Threatened by these feelings, nearly torn in two,
let us turn to Jesus—He will see us through.

chorus:

Hear the Shepherd calling. Let Him lead the way.
He will guide you safely ev'ry single day.
Cast on Him your burdens. He will bring release.
Follow in His footsteps on the path of peace.
