

# ISIS

ISIS: a servant of Shaitan,  
by murdering the innocent;  
An enemy of the mosque,  
by spreading bloody violence;  
A desecration of devotion,  
by serving the evil jinn;  
A defilement of Ramadan,  
by roasting humans alive;  
A pollution of prayer,  
by raping kidnapped girls;  
A threat to Muslim faith,  
by doing the will of false imams;  
A distortion of Islam,  
all in the name of Allah.
