

MY ALL IN ALL

The Promised Seed to crush the serpent's head
came into me to crush the pride within.

As Son of God and Son of Man, He brings
the Father's will into my fleshly pain.

The Lamb of God, Who took away my sins,
now roars in me as Judah's Lion King.

As good and guiding Shepherd of God's flock,
He brings me in then leads me forth to graze.

This Wondrous Counselor, this Mighty God,
this Prince of Peace has planted peace in me.

The meaning of His name is what He does:
my Jesus *saves, sets free, and heals* my soul.

He's not just Teacher but the whole world's Light,
Who daily is my Way, my Truth, my Life.

As living water's Wellspring, He's the Vine,
and grafted in, I quench my thirst from Him.

As Bridegroom of the Church, His gathered Bride,
He's joined Himself to me and now indwells.

Ascended, yet He lives within my heart,
sustains me with His body's bread and wine.

This precious Savior is my everything:
life's wisdom, wealth and heavenly reward.

O risen King of kings and Lord of lords,
come quickly back to take me home with You!
