

TANKA POETRY #10 - 11

by David L. Hatton

Tanka #10 - WRATH

Top blown, chimney flares—
mindless adrenalin rush
bypasses caution,
enlivening reflexes:
door slammed, wall punched, words raging.

Tanka #11 - MAKER'S HEART

launched life with destined duty.
When duped by sin's ways,
we fell—death's blinded booty—
Love's heart redeemed our beauty.
