

## **THANKS SO MUCH!**

(poem written in thanks for baby clothes)

It's neat when you are new in town  
To have a friend like you around.  
When I got here I was quite bare,  
But you sent something nice to wear!  
Now, Momma's milk is sweet, it's true;  
She pampers me for pee and poo,  
And I have hand-me-downs, you know,  
But you gave something great for show!  
I'm really grateful for the gift:  
Your welcome's given me a lift!  
And so, my "THANK YOU" I will send  
To let you know you are my friend.

Sincerely, from Amos Bartholomew Hatton  
(with some help from his dad)
