

THE BIBLE

Anyone can read God's book,
If they care to take a look.
But, if you would understand
What the Lord has said and planned,
Seek His will with all your soul:
Knowing Him must be your goal.

Scripture points us to rebirth
To a life beyond this earth.
But, as pilgrims, while we stay,
Help is but a prayer away.
As this Word invades our hearts,
Dawn begins, and gloom departs.
