

THE WHY OF CHRISTMAS

Mankind will never comprehend
The greatest of the Father's love.
How marvelous that He should send
His Son from Heaven's courts above.

It all was mercy, love and grace!
For sins we could not pay the price,
So Jesus Christ, to take our place,
Became the Perfect Sacrifice.

Right now and for eternity:
TRUE LIFE!! And yet, so few receive
This Gift that God has offered free,
For many say they can't believe. . .

Each man and woman, girl and boy,
Who long this Christmas for God's peace,
By faith in Christ may have the joy
Of life in Him and sin's release.
