

# TRUTH BE TOLD

What did the God-Man Jesus come to earth to do?

*Destroy the devil's lies to rescue you.*

But if a lie is nothing, what can come from naught?

*Our wills, believing lies, by lies are caught.*

What harm is there in little fibs that offer gain?

*All falsehood leads to sin and sin to pain.*

Life's full of pain! What makes you say the problem's *sin*?

*The lie-led chain of sin brings death within.*

If bound and dead in sin, how can my heart be free?

*Just call on Christ the Lord, and you will see.*

To each his own—whatever god I choose is mine.

*Twixt Light and darkness, Jesus drew the line.*

If I refuse this Savior's call to step across?

*You'll live those lies to your eternal loss.*

If I repent and make His will my treasure store?

*With Truth in Love you'll dance forevermore!*
