

WORDS

Words of wisdom all around,
Some in silence, some in sound—
But they're wasted
If not tasted,
Or if lost, once they are found.

Words of warning from the Lord,
Some regarded, some ignored—
Though they're needed,
If not heeded,
All is lost, with no reward.

Words of wonder: Gospel grace,
Some reject, and some embrace—
Those who waver
Miss God's favor
Meant to bless the human race.
